

Sponsor an FRC Child or Family: Transform Lives Today

For 29 years, Family Respite Care of Nevada (FRC) has provided critical support to families raising children with special needs. Our high-quality respite care gives caregivers essential time to recharge while ensuring their children receive safe, nurturing, and professional care.

Why Your Support is More Critical Than Ever

FRC has grown by over 600% in the past 12 years, yet demand continues to outpace our capacity. Currently, over 300 children remain on our waitlist, with 10,000 children in Washoe County qualifying for services. Rising costs have made it increasingly difficult to sustain our programs at no cost to families. To meet this growing need, we are introducing a child membership fee while continuing to rely on community support to ensure families in financial hardship are not turned away.

The Cost of Respite Care

- \$50 per child per session – Covers center-based respite services or community outings, including materials, snacks, activities, rent, utilities, and staff salaries.
- 630+ local respite sessions provided last year.
- \$1,800 per child annually – Ensures consistent, high-quality care.

How You Can Help

With the cancellation of our annual An Evening to RAVE About (ETRA) fundraiser, we are inviting donors to directly sponsor a child's scholarship to provide access to care for those who need it most.

Sponsorship Opportunities

- \$360 Single Child Sponsorship – Covers a child's annual membership, 20% of the annual care cost.
- \$3,600 Sponsorship for 10 Children – Funds annual memberships for 10 children.
- \$5,000, \$10,000, or \$15,000 Flat Donation – Directly supports multiple children, helping reduce our waitlist.

Your Impact

- Ensure no family is turned away due to financial hardship.
- Help meet the urgent and growing need for respite care in our community.
- Support Nevada's most vulnerable children and families by providing the care they depend on.
